

PROJECT EXECUTIVE WITH DIVERSE HANDS- ON EXPERIENCE

Over 20 years of experience across various levels of construction, backed by a rich background in public utilities management and a deep understanding of field operations. Committed to improving the construction industry and fostering new leaders by solving challenges efficiently as a team.

VISCO

JOSEPH JESSOP
PROJECT EXECUTIVE

LIFETIME OF HANDS-ON EXPERIENCE

GENERAL CONTRACTOR | CABINERY | UTILITIES

A lifetime in construction, beginning as a child working alongside my father, has equipped me with extensive hands-on experience. Roles have ranged from framing and concrete work to roofing and finish carpentry. Managed multiple utilities departments, ensuring operational safety and customer satisfaction.

EMERGENCY SERVICES EXPERTISE

WILDLAND & STRUCTURE FIREFIGHTER |
PARAMEDIC | EMT

Certified in multiple emergency response roles from 2000 to 2020, including Firefighter, EMT, and Paramedic. Contributed as a volunteer for over two decades, ensuring community safety and training others in life-saving skills.

BUILDING THE FUTURE AT BZI

INNOVATION & LEADERSHIP IN STEEL ERECTION &
WALL SYSTEMS

Since 2016, I've driven innovation at BZI, developing and implementing new systems and standards in the steel erection industry. Pioneered the establishment of the Wall Division, assembling top talent and integrating all aspects from business development to field teams for Insulated Metal Panels and Concrete Tilt Walls.
