

Professional Summary

20 years of construction project delivery backed by an accounting degree – results in nationwide client satisfaction based on proven strategic solutions and cost control know-how.

Experience

Industrial Boom

ONGOING INDUSTRIAL DEVELOPMENT

Selected GC on the BZI Industrial Development – 820-acre site providing rail services directly to Utah's Inland Port

Building Wellness

THREE CLINICS | STRICT CODE ADHERENCE

The build of a recent clinic resulted in repeat work on two additional clinics based on Ryan's ability to deliver on-time while meeting healthcare regulations.

Retail Revitalization

900+ PROJECTS | BIG BOX | FUEL | TI

Took over a broken relationship with a nationwide retail client – trust earned equated to 14+ years of work including work as a preferred GC
